GUIDE TO THE SUPPLEMENTARY INFORMATION

The General Revenue Fund supplementary information to the Public Accounts for the fiscal year ended March 31, 2002 is divided into two sections:

- **Personal Services** - This section provides summary and detail information on payments for personal services. The information is provided by department and combines personal service payments of revolving funds where applicable. Individuals who received $2,500 or more are reported. Individuals who received less than $2,500 are grouped.

  Personal Services are described by method of **appointment**: in-scope, out-of-scope, contract, and other. The appointment category of "other" includes Orders in Council, honorariums, Judges, Minister's assistants, Speaker's Orders, Members of the Legislative Assembly, and bursaries.

  Employees are further categorized by position **type**: permanent, temporary, part-time, term/casual, and labour service. The category "other types" may include contracts, honorariums, bursaries, Judges, or Members of the Legislative Assembly.

- **Supplier Payments** - This section lists payees who received $20,000 or more for goods and/or services supplied to the General Revenue Fund and Revolving Funds during the fiscal year. The payments are those classified as Contract Services, Communications, Supplies and Services, and Equipment and Other Assets in Volume 2 of the Public Accounts.
